Florence Wetzel was a woman of grace who loved and supported Peace Lutheran Church across the decades. She had a special passion for supporting youth and she funded scholarships here for at least 40 years. In her estate, she set aside money for a final group of scholarships. Each year, the council shall distribute three (3) \$500 scholarships to graduating seniors pursuing additional education until the gift is exhausted. The scholarships will generally be awarded at "Senior Sunday" at Peace Lutheran Church and will be funded upon receipt of grades from the first semester of study. The check will be sent directly to the institution.

If less than three applications are received, or if the applications received are poorly completed, the Council shall distribute the gifts to three (3) qualifying students at its sole discretion.

Applicants must be members of Peace Lutheran Church.
