Again, you need to know these stories! This is our spiritual history. You will remember a couple of them from your daily readings ("Abraham Offers Isaac" & "A Wife for Isaac"), but you need to know more than those two stories. Listen carefully, read these lessons in the Bible. Get them into your BONES!

Again, our genre is biography/history/legend. We are learning about the family that ultimately gives us Jesus. And we are learning about God: about God's expectations and about God's mercy.

Think deeply and give me good questions!
